ABOUT ME

first of all thank you for giving me this opportunity to introduce myself. My name is montu raja. I am basically from rajasthan but currently staying in ahmedabad. I did my higher secondary education in arts from R.b.s.e ajmer . currently I am pursuing bachelor of computer application in amity university , noida. Beside I also study as fullstack development course. I belong to a middle family. My strength are I am self motivated , hard working and disciplined person. My short term goal is to get a job in a reputed company and my long term goal is to achieve a Software engineer position where I can build my career and help the organization too. My hobbies are listening to music , playing cricket , reading books and travelling. thats all about me . thanks again for this opportunity.
